

Roles & Responsibilities in SMEs

Driving the Green Transition Together

WHY ROLES MATTER

Clear responsibilities

Better coordination

Effective implementation

Without clear roles:

confusion

inefficiency

limited impact

KEY ROLES IN SMEs

Who is involved?

Managers

Administrative staff

- Organisation
- Digital processes

Employees

- Daily implementation
- Improvement ideas

Support roles

- Procurement, HR, marketing

SHARED RESPONSIBILITY
Sustainability = Shared effort

Top-down

- Strategy
- Goals
- Resources

Bottom-up

- Actions
- Feedback
- Improvements

Both are needed!

HOW IT WORKS

Multi-level approach

1 Strategic Decisions & planning

2 Operational Processes & actions

3 Behavioural Daily Habits

All levels must align

COMMON CHALLENGES

SMEs often face:

Unclear responsibilities

Resistance to change

Lack of knowledge

Limited resources

FROM ROLES TO ACTIONS

Clear roles

Communication

Training

Daily practice

Sustainability must be part of everyday work

Sustainability works when everyone knows their role
