

FROM SKILLS TO ACTION

APPLYING GREEN PRACTICES IN SMES

WHAT WE LEARNED

Green Skills

Roles

Practices

Behaviour

THE CHALLENGE

- Knowledge is not enough
- We know what to do
- But we don't always act

Gap between:

Understanding → Action

CONNECTING THE ELEMENTS

Skills
are applied

+

Roles
are clear

+

Behaviour
supports change

=

**Skills + Roles +
Behaviour = Action**

FROM INDIVIDUAL TO ORGANISATION

Organisational change

Team practices

Individual actions

Small actions scale up

IDENTIFY OPPORTUNITIES

Where do we
waste resources?

What can
improve easily?

What has
low cost?

LEARN

UNDERSTAND

ACT

IMPROVE

PRIORITISE ACTIONS

Impact | low-cost | practical

TAKE ACTION

- ✓ Identify actions
- ✓ Apply consistently
- ✓ Monitor results
- ✓ Improve gradually

Progress, not perfection

**Small actions lead to big change Sustainability =
continuous improvement**
